

The following Mission Statement has been adopted by the Buffalo Water Board and the Buffalo Municipal Water Finance Authority:

**Mission Statement**

Buffalo Water is dedicated to providing an adequate supply of safe, high-quality drinking water at exceptional value, and remains steadfastly committed to protecting the health and well-being of its employees and customers. Buffalo Water is responsive to the needs of the ratepayers and the economic vitality of the community, and operates an efficient water utility that preserves and protects critical drinking water infrastructure and natural resources for future generations.
