

CITY OF BUFFALO

DEPARTMENT OF PERMIT & INSPECTION SERVICES

Byron W. Brown, Mayor
James W. Comerford, Commissioner

Dear Concerned,

According to the Ordinances of the City of Buffalo specifically Chapter 167 entitled Elevators, please note that all new and existing elevators, escalators, stair-chair lifts, material lifts, dumbwaiters, inclined and vertical W.C. lifts, moving walks etc., located in the City of Buffalo shall be inspected semi-annually and issued a certificate of operation on an annual basis.

Please be advised that the following companies have been licensed by the City of Buffalo to perform independent elevator/conveyance inspections. Also note that all companies have local field inspectors. Certificates of Operation will not be issued until completion of the third-party inspection and only after any and all code violations have been corrected. All violations shall be corrected within a 30-day time period. Certificates of operation issued for each conveyance are renewable annually. Independent inspection fees may vary. Please contact the following for price quotes:
